

Final Travel Packets

AUTUMN SONG WITH JOSEPH MARTIN **September 28-October 4, 2021**

Final Travel Packets are available approximately two weeks prior to your departure. With today's technology, most people prefer saving the packet and itinerary to their phone or tablet rather than having a printed copy. When the Final Travel Packet is completed, you will receive an email with links so you can download it and print it, or download and save it to your cell phone or tablet. If you are unable to print it or download and save it, please contact Krista Montgomery and a printed copy can be mailed to you.

What is included in the Final Travel Packet
